## Scholarships Empower

Scholarships are given to bright, high achieving students.

Our scholarships go to students pursuing a health care career.

450 

Students Given Scholarships

Ranging from \$2,500 - \$7,500

110 

HOSA CLUBS in Pennsylvania

Health Occupations Students of America

3,700 

HOSA Students Statewide

Club Members eligible to apply

## Facts That Matter

## The Shortage

### Scholarships Awarded

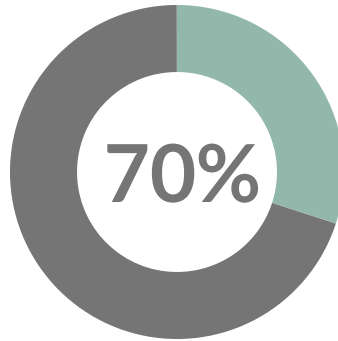

1 million

#### FROM DONORS LIKE YOU

Over the last 20 years we've given out \$1million in scholarships that we pay directly to the college of the winner. Funds are from individual donors & corporate sponsors.

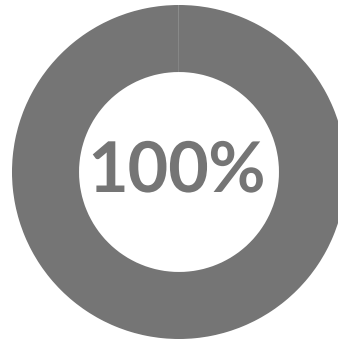

### Fields of Interest

#### DECLARED OCCUPATIONS

The top three careers among nearly 3/4ths of our students are: Nurse, PreMed and Physician Assistants. The rest seek allied health careers (PT, Dental, Pharmacy, Paramedic, Sports Med, Occupational Therapy).

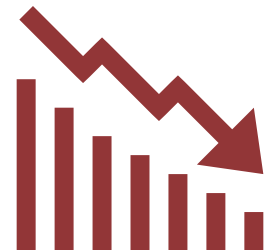

### Financial Need

#### ALL MEET FAFSA CRITERIA

Students pass a vigorous vetting process by Foundation judges and must excel in academics, school & community activities & leadership. They qualify for 1:1 match from PHEAA and meet FAFSA criteria for financial need.

### Health Care Job Supply Dangerously Low

#### LET'S GROW THE SUPPLY

With PA's aging population, chronic care demands will sky rocket. In nursing alone, there will be a 30% shortage by 2021. Demand for Allied Health jobs in home health & long term care outstrips supply.

We're a fund of The Foundation for Enhancing Communities, a non-profit, tax-exempt organization.
